All Materials presented online will be available at: 231 George Street, Glasgow, G1 1RX and National Library of Scotland, Kelvin Hall, 1445 Argyle Street, Glasgow, G3 8AW

Connecting Yorkhill and Kelvingrove

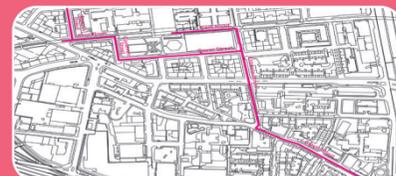

Glasgow City Council invite you to have your say in a new look for Yorkhill and Kelvingrove, in partnership with Sustrans.

This is an ambitious area based project which will see improved public spaces, accessibility and active travel connections.

We are asking for your input to the designs for:

- ◆ Phase 1 Yorkhill North - Developed Design
- ◆ Phase 2 Yorkhill South - Concept Design
- ◆ Phase 3 Kelvingrove - Concept Design

Liveable Neighbourhoods: Yorkhill to Anderston

Glasgow City Council are asking for your input to see how we can improve walking and cycling in the Yorkhill to Anderston area.

The designs could see:

- ◆ New and improved public spaces
- ◆ Street trees and planting
- ◆ Improved accessibility to kerbs and paving
- ◆ New pedestrian crossings
- ◆ Improve walking, wheeling and cycling connectivity
- ◆ Reallocation of road space
