Email

If you do not require a response please provide just your Post Code

All returned questionnaires will be acknowledged. Please note that their content and the respondents name may be made public. However, no other personal details, such as address or telephone number, will be made public.

## Consultation Questions

1. Do you agree with the consultants' assessment of what open space should be used for in Glasgow?

Please choose from the following:

Please provide further details in support of your opinion e.g. what do you particularly agree / disagree with, are some open spaces uses missing?

2. Do you agree with the consultants' assessment of Glasgow's open space resource?

Please choose from the following:

Please provide further details in support of your opinion e.g. have resources been omitted?

3. Do you agree that the 6 strategic priority themes are the most effective way to tackle the issues facing Glasgow's open space?

- 1 Place setting for improved economic and community vitality;
- 2 Health benefits and well-being;
- 3 Creating connections;
- 4 Improving ecological quality;
- 5 Enhancing natural processes and generating resources; and
- 6 Managing the micro climate

Please choose from the following:

Please provide further details in support of your opinion e.g. should other themes be included, should some be removed to narrow the focus?

4. Do you agree that the document identifies the correct challenges and opportunities which will be faced in delivering Glasgow's Open Space strategy?

Please choose from the following:

Please provide further details in support of your opinion e.g. have some challenges and opportunities been included which should not have been or are some missing?

5. Do you agree that the document has identified the right headline actions to deliver Glasgow's Open Space strategy?

Please choose from the following:

Please provide further details in support of your opinion e.g. are all actions required or are further actions needed?

6. Are there any other comments you would like to make regarding the contents of the Consultative Draft Open Space Strategy?

7. Are there any comments you would like to make regarding the contents of the Strategy's SEA Interim Environmental Report?

**The following section is not compulsory.**
